10:00 Introductions and Agenda Overview (Kacey Wetzel, CBT; Suzanne Etgen, AA WSA)

11:00 Behavior Change On Line Tool (Kacey Wetzel, CBT; Suzanne Etgen, AAWAS, Steve Raabe, Opinion Works; Guy Stephens, UMCES; Dave Yayac, UMCES)

Members of the Stewardship Workgroup along with CPB Creative Team will provide an update on the development of an on line tool that provides bay watershed related behavior change information and data.

10:10 (Amy Handen, NPS; Olivia Wisner, CRC)

The Citizen Stewardship Workgroup will be presenting to the Management Board in February as part of the CBP Strategy Review System. Help us craft our message! We would like to get your feedback on:

- What has been our workgroup AND your agency/organizations greatest accomplishment over the last 2 years as a result of the Stewardship Goal in the Watershed Agreement?
- What lessons have we learned over the past several years?
- What scientific, fiscal and policy-related developments will influence our work over the next several years?
- How will our work change over the next several years?
- What final message would you like us to share with the Management Board in February?

Join us on February 13th and participate in the discussion with the Management Board!
